Enjoy the serene setting of this picture perfect home. Nestled on a quiet cul de sac with manicured grounds, enhanced by flowering specimen trees and mature plantings. Enjoy the wide front porch perfect to sip ice tea on a summer day or dine on the deck off the kitchen overlooking the gazebo and sprawling lawn. As you enter through the foyer, look left a banquet size dining room with custom painting, look right a music room and den. Walk ahead and you are in for a special treat with floor to ceiling natural light that bathes the living room enhanced by hardwood floor and a masonry fireplace. The open plan kitchen with breakfast area is just steps away with a large center island and plenty of cabinets. Direct entry 3 car garage with a mudroom area and half bath. Come up the staircase to the large master suite with the four piece bath and walk-in closet. Three generous sized bedrooms and two full baths round out the second floor. Walk out lower level with en-suite bedroom/den, family room with a fireplace and home gym. WOW!
